Greetings,

I have a great passion for web development and media content creation, and based on the requirements and aspects of the position, I feel as though I would be an ideal candidate. With over 9 years of experience I have just about worked all levels of IT field and that help make me a solid individual for web development major in the Bachelor program at UA Little Rock.

I feel my skillsets and ability to learn technologies and work well with others makes me a great asset for any team. I am willing to take on any challenge that will increase my skillset and knowledge base to become a solid web developer.

I would like very much to discuss opportunities with your company. To schedule an interview, please call me at 501-247-6443.

Thank you for taking the time to review my resume.  
I look forward to talking to you.

Sincerely,

Michael Gray
